pvc edged finish options key to texture references

Ref.	Egger Texture	Description
ST2	Diamond	Has a grainy, mini-pearl texture, with a medium gloss finish.
ST9	Perfect Matt	Has a matt surface finish with low gloss level and is velvety to the touch.
ST15	Office	Is a smooth, flat surface finish with low gloss levels and low maintenance in terms of smears and marks.
ST22	Matex	Has a deep brushed finish with both a glossy and matt linear grain, offering a realistic wood-like finish.
ST24	Finepore	Has a wood pore texture with a balanced and less densely populated grain, with medium gloss texture.
ST30	Gloss	Gloss level of 103 points and with a good scratch resistance.
ST31	Platinum Ash	This surface has a flowered design (directional, non-tilt) and a high gloss level.

pvc edged finish options contrasting edges

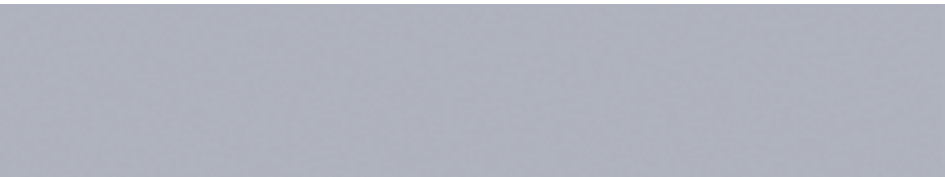

In addition to matching edging, we can also offer a choice of contrasting edging - choose from the following options:

Black Matt or Black High Gloss

3-D Multiplex Nature

3-D Satin Aluminium
